Appellation Series

Highlight the flavor
of your region's taste!

- Be Unique! We can design your special bottle highlighting your appellation
- Free Molds! It may be an option to promote your brands

Caliber can top that!

- Caliber WinePak® has partnered with ALCAN Packaging of American Canyon to offer Platinum Solutions for closing and finishing your wines.
- Choose from the Stelvin® twist-top range (Classic Stelvin & Stelvin Lux+® shown), ALCAN Tin or Polylam capsules. If you have a sparkling need, we have that too.
- We are proud to represent ALCAN, leaders in their field of innovative Platinum finish Solutions.

Ready, Set... Fill!

From Stock – 3 and 5 Liter Bags

- Small and large quantities
- Other sizes available on per order basis
- Portable rental equipment for filling
- Full line equipment available for purchase
- Technical support
